Fallout new vegas where is vance's gun. New vegas that gun repair. Fallout new vegas vance gun brochure. Fallout new vegas return vance gun. New vegas return vance's gun. Fallout new vegas how to get vance's gun.

If I talk to prim slim there is no dialogue option to return the gun...wtf is happening? Behind the scenes The safe combination is 05-23-34, a reference to the date Bonnie and Clyde were killed. Experts speculate that Vance could have killed up to fifty people if he had fired the gun - as long as his goal was exact and he was starting with a full clip - or even more if he had additional ammo clips and remembered to reload! Features Vance's 9mm SMG expanded Vance's 9mm SMG and has several differences from the standard 9mm SMG. Experts speculate that Vance could have killed up to fifty people if he had fired the gun - as long as his goal was exact and he was starting with a full clip - or even more if he had additional ammo clips and remembered to reload! Vance's 9mm submachine gun does more damage, more damage per second, with a larger-capacity drum loader than the standard variant. Slim's account implies that Vikki and Vance were, in fact, short-term white-collar criminals. In addition to handling more damage and a drum loader with twice the capacity, it has an immaculate black finish with wooden claws with, lacks a stock and uses Express-type views. The Durability Vance 9mm submachine gun can fire a total of around 3745 standard cartridges, equivalent to 63 refills, from full conditions before breaking, [verified] Reloading the gun will fix this, as well as it will draw the gun out and then re-holstering. The gun is missing from its showcase at Vikki and Vance Casino. Vance and his wife Vikki were "master criminals" before the Great War.
